

Jr Irish COVID-19 Pre-Check Guidelines

Prior to arriving at the field for EACH game, ALL individuals participating in or attending the activity: coach, manager, player, referee or spectator, should utilize the following protocol before attending. Jr. Irish Soccer Club (tournament host) mandates that this is followed prior to showing up at the field for your game.

- Are you experiencing any of the following symptoms? If yes, do not come to the facility.
 - Cough
 - Shortness of breath or difficulty breathing
 - Chills
 - Repeated shaking with chills
 - Muscle pain
 - Headache
 - Sore throat
 - New loss of taste or smell
 - Feel for temperature, take temperature if needed
- Have you come in contact with anyone who was exposed to COVID-19? If yes, do not come to the facility.

According to the Indiana Department of Health, if the individual's temperature is 100.0 or above and/or if they are experiencing any of the above symptoms and/or the individual has come in contact with anyone who was exposed to COVID-19, they **CANNOT** participate in or attend the event. The individual or their guardian should contact their physician or local health department for next steps.

One of Indiana Soccer Association's goals is to assist member clubs in their effort to provide a safe environment for the players and their families to enjoy our game. The residents of the state of Indiana have done a tremendous job of following the directives of our state and local government and our state and local health departments to allow us to move through the stages of return to what will be considered normal. All have been emphasizing that we are not done and not out of the woods.

The Indiana Soccer family is committed to demonstrating excellence in the mitigation fight against Covid-19.

The undersigned fully understands and agrees to abide by the above guidelines along with forwarding this information to your players & parents attending the event.
